Credit Monitoring: In addition to Cash Payment A (Documented Losses) *or* Cash Payment B (Alternative Cash Payment), you may also submit a Claim Form to receive three years of free Credit Monitoring (valued at \$90.00 per year).

The actual amount of your Cash Payment (A or B) will be determined based on the amount remaining in the Settlement Fund, if any, after the payment of Settlement Administration Costs, any attorneys’ fees and costs awarded by the Court, Service Awards to the Class Representatives approved by the Court, and Credit Monitoring costs. The amount may increase or decrease equally and will be pro rata based upon the total value of all Valid Claims received.

Cash Payment A – Documented Losses

If you lost or spent money relating to the Data Incident and have not been reimbursed for those losses/expenses, you can receive reimbursement for up to \$5,000 total. Eligible losses include those incurred on or after November 11, 2023, up to the date of filing your Claim.

It is important for you to send reasonable documents that show what happened and how much you lost or spent so that you can be reimbursed. “Self-prepared” documents like handwritten receipts, personal certifications, declarations, or affidavits prepared by you are insufficient for reimbursement, but can be used to add clarity, context, or support for other submitted reasonable documentation.

To look up more details about how the Cash Payments work, visit **CapitalHealthDataBreachSettlement.com** or call **1-888-873-4996** toll-free. Please also review the Notice on the Settlement Website, which provides examples of what documents you need to attach and the types of expenses that can be claimed. *By filling out the boxes below, you are certifying that the money you spent doesn't relate to other data incidents or breaches.*
