SETTLEMENT BENEFITS

ModMed will establish a Settlement Fund of \$2,999,750.00. The Settlement Fund will first be used to pay court-approved attorneys' fees and costs and the costs of administering the Settlement. The remaining Net Settlement Fund will be used to pay for the Settlement benefits described below.

MEDICAL DATA MONITORING. All Settlement Class Members are eligible to enroll in two years of CyEx Medical Shield Complete. This comprehensive service comes with \$1 million of medical identity theft insurance with no deductible, and includes real time monitoring with one credit bureau; dark web scanning with immediate notification of potential unauthorized use; security freeze assistance; and identity theft victim assistance. If anything suspicious happens, you will be able to talk to a fraud resolution agent to help fix any problems.

CASH PAYMENTS. In addition to Medical Data Monitoring, all Settlement Class Members may elect Cash Payment A – Documented Losses or Cash Payment B – Alternate Cash:

Cash Payment A – Documented Losses. If you incurred actual, documented out-of-pocket losses due to the Data Incident, you can get back up to **\$5,000.00**. The losses must have occurred between July 9, 2025, and November 2, 2026.

This benefit covers out-of-pocket expenses like:

- losses because of identity theft or fraud
- fees for credit reports, credit monitoring, or freezing and unfreezing your credit
- cost to replace your IDs
- postage to contact banks by mail

You need to send reasonable documentation supporting the losses, which means documentation contemporaneously generated or prepared by a third party supporting a claim for expenses paid. Non-exhaustive examples include telephone records, correspondence including emails, or receipts. Your personal certification, declaration, or affidavit does not constitute reasonable documentation but may be included to provide clarification, context, or support for other submitted reasonable documentation.

You shall not be reimbursed for expenses if you have been reimbursed for the same expenses by another source, including compensation provided in connection with the credit monitoring and identity theft protection product offered as part of the notification letter provided by ModMed or otherwise.

If you do not submit reasonable documentation supporting a loss, or if your claim is rejected by the Settlement Administrator for any reason, and you fail to cure your claim, the claim will be rejected and will be treated as if you elected Cash Payment B – Alternate Cash.

OR

Cash Payment B – Alternate Cash. *Instead of any other payments*, you may claim a one-time estimated **\$75.00** cash payment. You do not have to provide any proof or explanation to claim this payment.

Depending on the total number and total value of Cash Payment claims, your payment may be slightly higher or lower than the amount you claim.

A full explanation of how this works is provided in Paragraph 71 of the Settlement Agreement, which can be found at www.ModernizingMedicineDataSettlement.com.
