Cash Payment A – Documented Losses

Settlement Class Members who suffered unreimbursed losses that can be shown to have more likely than not been caused by the Data Incident, and who timely submit a valid Claim Form supported by sufficient documentation, will be eligible for a payment of up to five thousand dollars (\$5,000.00), but not more than the documented loss proven. These losses include (i) documented out-of-pocket expenses such as (a) bank fees, (b) long-distance phone charges, (c) cell phone charges (only if charged by the minute), (d) data charges (only if charged based on the amount of data used), (e) postage, (f) gasoline for local travel; and (ii) documented fees for credit reports, credit monitoring, or other identity theft insurance products, and other losses resulting from the Data Incident.

All Documented Losses must be attributable to the Data Incident.

☐ **Check this box to confirm that by filling out the table below, you are attesting that all the following information is true and correct:**

- *I incurred Documented Losses as a result of the Data Incident;*
- *I confirm that I have not been reimbursed for these monetary losses and the losses are not already covered by one or more of the normal reimbursement categories; and*
- *I confirm I made efforts to avoid, or sought reimbursement for, the losses, including but not limited to exhaustion of all available credit monitoring insurance and identity theft insurance.*

Supporting documentation must be provided. It is important for you to send documents that show what happened and how much you lost or spent so that you can be reimbursed. “Self-prepared” documents like handwritten receipts, personal certifications, declarations, or affidavits prepared by you are insufficient for reimbursement but can be used to add clarity or support for other submitted reasonable documentation. Enclose or upload reasonable documentary proof of the Documented Losses you believe are attributable to the Data Incident. You may mark out any transactions that are not relevant to your Claim before sending in the documentation.
