Cash Payment A – Documented Losses. If you lost money because of identity theft or fraud, you can get back up to **\$2,500.00**.

You will need to show that:

- the theft or fraud was probably caused by the Data Incident
- you tried to prevent the loss or get your money back, such as by using insurance you already have

The losses must have occurred between January 26, 2025, and February 11, 2026.

You need to send proof, like receipts, to show how much you spent or lost. You can also send notes or papers you made yourself to explain or support other proof, but those notes or papers alone are not enough to make a valid claim. Your proof or notes should show that your expenses were because of the Data Incident.

You cannot claim a payment for expenses that have already been reimbursed by a third party.

Cash Payment B – Alternate Cash. *Instead of* Cash Payment A, you may claim a one-time **\$20.00** payment. No documentation is needed to claim this payment.

If there is not enough money in the Settlement Fund to pay all claims, everyone's cash payments will be reduced *pro rata*. Cash payments may also be increased *pro rata* based on the number of Valid Claims.
